

Please delete the third paragraph of page 10, beginning at line 17.

REMARKS

The above amendments have been made so that the specification conforms to the drawings.

Respectfully submitted,

Robert P. Lenart

APPENDIX

Preliminary Amendment to Application Serial No. 10/060,560

IN THE SPECIFICATION:

The eleventh paragraph of page 4, beginning at line 25, has been amended as follows:

-- FIG. 10 is an isometric view of a phase shifter that can be used in an antenna constructed in accordance with the present invention; and --

The twelfth paragraph of page 4, beginning at line 27, has been amended as follows:

-- FIG. 11 is an exploded isometric view of an array of phase shifters that can be used in an antenna constructed in accordance with the present invention; --

The thirteenth paragraph of page 4, beginning at line 29, has been deleted.
~~FIGs. 12 and 13 are plan views of alternative aperture shapes.~~

The third paragraph of page 10, beginning at line 17, has been deleted.

~~FIGs. 12 and 13 are plan views of alternative aperture shapes. The aperture of FIG. 12 is generally "I" shaped, with transverse rectangular portions at each end. The aperture of FIG. 13 is elongated with flared portions at each end. The choice of a particular aperture shape depends on bandwidth and processing tolerance.~~
